Dear Mr Baker

Audit of the South Australian Skills Commission for the year to 30 June 2023

We have completed the audit of your accounts for the year ended 30 June 2023. Two key outcomes from the audit are the:

- 1 Independent Auditor's Report on your agency's financial report
- 2 audit management letters recommending you address identified weaknesses.

1 Independent Auditor's Report

We are returning the financial report for the South Australian Skills Commission, with the Independent Auditor's Report. This report is unmodified. The *Public Finance and Audit Act 1987* allows me to publish documents on the Auditor-General's Department website. The enclosed Independent Auditor's Report and accompanying financial report will be published on that website on Tuesday 17 October 2023.

2 Audit management letter

As the audit did not identify any significant matters requiring management attention, we will not issue a management letter.

What the audit covered

Our audits meet statutory audit responsibilities under the *Public Finance and Audit Act 1987* and the Australian Auditing Standards.

Our audit covered the principal areas of the agency's financial operations and included test reviews of systems, processes, internal controls and financial transactions. Some notable areas were:

- appropriations
- employee benefits expense
- supplies and services
- cash.

I would like to thank the staff and management of your agency for their assistance during this year's audit.

Yours sincerely

Daniel O'Donohue
Assistant Auditor-General (Financial Audit)
