

Traineeship and Apprenticeship Pathways Schedule

23 December 2021 | Version 189

The Traineeship and Apprenticeship Pathways (TAP) Schedule provides a consolidated list of occupations that have been declared under the South Australian Skills Act 2008 as trades (apprenticeships) or declared vocations (traineeships) in South Australia, and reflect what has been previously published in the South Australian Government Gazette. The TAP Schedule also identifies the qualifications that can be undertaken in conjunction with these apprenticeships and traineeships.

The South Australian Government provides financial support to Nominated Training Organisations for the training of many apprenticeships and traineeships, through the Department for Innovation and Skills' Subsidised Training List. For further information about the Subsidised Traineeship and Apprenticeship List, please visit: www.skills.sa.gov.au. Eligibility conditions apply.

Please contact Traineeship and Apprenticeship Services on 1800 673 097, for errors or omissions to this document.

***** An apprentice employed under the Building and Construction General On-Site Award 2010 or the Joinery and Building Trades Award 2010 who has gained units of competency, outside of an apprenticeship arrangement (training contract), may not have those units of competency contribute towards their competency based wage progression. That is, unless those competencies have been assessed under a training contract arrangement by their registered employer. Evidence of that assessment must be recorded in a log book approved by the SASC and represent agreement between a registered training organisation, employer and apprentice of that competence.**
